#### <u>The Annual Quality Assurance Report (AQAR) of the IQAC</u> (For Affiliated/Constituent Colleges)

Institutions Accredited by NAAC need to submit an Annual self-reviewed progress report i.e. Annual Quality Assurance Report (AQAR) to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the IQAC at the beginning of the Academic year. *The AQAR period would be the Academic Year. (For example, July 1, 2017 to June 30, 2018)*

**17.** Does the Institution have Management Information System?

Yes

Our Parent Body Gujarat Law Society is looking after the smooth administration of our college. The college follows formal Management Information System, whereby, the college staff approaches the College Head/Principal for all the requirements, guidance and plan of action for academic work. The college has formed various committees for the work allocation and the same is discussed with the Head of the institution by way of meetings, formal and informal discussions etc. We have all the programmes, seminars, social activities, patriotic functions, other academic activities all arranged at the Central Building of Gujarat Law Society and the entire staff of college is a part of GLS family. All the other

academic institutes and their staff members also meet during such meets. The Management takes care to have a link for such activities. We are informed, instructed, provided guidance and we can share our problems during such activities and meets. The Social Group of GLS and the Alumni group of GLS performs remarkable activities.

# CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

## 6.1 Institutional Vision and Leadership

6.1.1 Mention two practices of decentralization and participative management during the last year

**Formation of Committees** and work allotted as per the committees responsibilities to enable the faculty members to plan and work independently in their given areas.

**Participate management** at every level is ensured by a healthy discussion of the Head of the institution with the teaching and non teaching members, before implementing any new plan, activity, change in routine activities and allocation of new work. The opinion of every person is given due consideration. Proper planning is done with detailed discussion with everyone.

6.1.2 Does the institution have a Management Information System (MIS)? Yes/No/Partial:

Yes. Our Parent Body, Gujarat Law Society Management members take active interest in the growth and development of students and teachers, they remain present for important programmes, provide financial aid as and when needed, provide main campus for important programmes and all the institutes under GLS are participating in various programmes at GLS.

6.2 Strategy Development and Deployment

6.2.1 Quality improvement strategies adopted by the institution for each of the following:

**Curriculum Development** : Our college follows University Syllabus and Curriculum. Various committees are formed and IQAC committee members co-ordinate with the committees for implementation of Syllabus and study plan.

**Teaching and Learning**: The academics of our college is the greatest strength we have as we have students coming from lower middle class who opt for our college due to excellence in teaching and learning. The college has best faculties who are dedicated to the cause of teaching. We stress on providing excellence in education, our academic environment is in tune with future prospects available Our stress on completing courses on time and teaching work We focus a lot on revision work and students interaction with faculty members. Vocational value based lectures are arranged to facilitate students to prepare for employment and also for competitive exams. Competitive exams

related knowledge is made available in the library.Students can refer to newspapers, magazines etc.

**Examination and Evaluation** : The Exams are conducted as per the schedule given by Gujarat University. The college looks after 30 marks internal exams which are based on viva and assignments. The University exams carry 70 marks for each paper. The students are thoroughly prepared for facing the internal exams. The college conducts exams as per University rules. College ensures strict discipline. Exams conducted as per University Schedule. Our Evaluation Process includes re-assessment. Grievances of students properly looked after.

**Research and Development**: Environment of college conducive for Research work. Major staff members are involved in research activities. We have 12 faculty members who are Phds, One faculty member is also Phd Guide and the professors have excelled in Paper Presentations and Publications. The college environment is conducive to research activities.

**Library, ICT and Physical Infrastructure / Instrumentation:** The Library books as per the change in syllabus and demands of students are updated time to time. SOUL software helps for better functioning.Library committee takes all care of needs.New books etc. updated as per need.

**Human Resource Management :** Gujarat Law Society, our Parent Body organizes various programmes, seminars etc and also social get-togethers. We also have rich Alumni which is looked after by Central GLS and various programmes are arranged. At college level we have the able administration of the Head of the Institution and various committees are formed for smooth working.

**Industry Interaction / Collaboration** : Placement Programmes are organized. Guest Lectures & Youth Empowerment Programmes are organized. Many Govt. exam related coaching institutes and private coaching institutes address students in way of presenting seminars etc. for providing awareness of how to appear for competitive exams and how to face interviews. They also highlight the role of such preparation in global environment.

Admission of Students ; Admission is done purely on merit basis. Our academic environment motivates students, in large number to join our college. We understand the priorities of middle class students

6.2.2 : **Implementation of e-governance in areas of operations**: The college administration work is done with the help of computers. The data are maintained accordingly. The programmes necessary for admission, financial management etc. are installed and used. Computer facilities used by faculty members . Use of Internet and research related activities.

Internal and University exam related work. Tally accounting training for UG and PG students.

**Planning and Development** The college administration work is done with the help of computers. The data are maintained accordingly. The programmes necessary for admission, financial management etc. are installed and

1. Stress on Research activities for faculty members: An awareness to develop self in order to become better teachers is ensured by NAAC guidance. The faculty members have engaged in Ph.D. and in research activities including paper publications, presentations and book publications. At the same time attending workshops etc is also regularly done by the faculty members. The books necessary for such activities are purchased and the faculty members have also updated their knowledge by participating in various programmes organized in surrounding colleges as and when required.

2. The Students are given additional knowledge and exposure with the help of regularly arranged guest lectures and seminars. It is remarkable that the academics of our college is the best among the colleges of city area and hence most of the students in our college, who hail from lower middle class do not have to attend any extra coaching for their regular studies. So for arranging additional guest lectures for them, much efforts are taken but only after ensuring that the students do not miss their regular lectures. We have many institutes coming for banking, insurance, management, airlines, UPSC exams, Other competitive exams and for other BPO jobs. The students get all the necessary knowledge in college itself which is a greatest boon for them as they can plan their career much early in life, with appropriate plan and preparation.

#### 7.3 Institutional Distinctiveness

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust Provide the weblink of the institution in not more than 500 words

The institution ensures best results year after year, compared to University exams in UG and PG education. Not only this, the students are also provided with a vision for life, given opportunities to have the best career guidance and social guidance, along with the process of teaching in day to day life. Our priority is our students and that is why, the students are given thorough training whenever they participate in cultural, sports and other areas in college level, inter college level or state level competitions and programmes. Our NSS unit ensures to provide ample community services to let the students develop a sense of becoming useful to the country. Hence our distinctive area, is to prepare our students in academics, fit to get good job but at the same time, we mould their lives, provide them vision and show them the right direction in life. Like a family member, we are preparing our middle class students to face any crisis in life. Our students are best placed in spite of their poor family background and it is due to the teachers, understanding their priorities that we stress on future needs of our students.

#### 8. Future Plans of action for next academic year

Our Future Plan of action for next academic year:
Ensure best results at University level for UG and PG students.
Enable students to have different activities and programmes necessary for their overall growth and development.
Develop leadership qualities in them and make them aware of their future opportunities.
Provide a research conducive environment for the faculty members for further research in their respective areas.
Formalizing of our work performed, keeping in mind different areas and filing work accordingly.
Provide better computerized system for office work and for maintenance of records.
Plan for more extension activities for our students.
